

## **Turn Up Turn Out – Claire Ingleheart/Louise Jordan**

CALL - Oh, the system is blinkered, yet still it ploughs on down

RESPONSE - Turn up, turn out, we must be the change

CALL - But somehow we'll turn, this juggernaut around

RESPONSE - So turn up, turn out and be the change.

**Chorus:**

**We don't know our strength until we try**

**We do know our passion is justified**

**If you ask us what we stand for, hear our battle-cry**

**For we were, and we are and we shall be.**

CALL - Our stories will empower us to reach out and connect

RESPONSE - Turn up, turn out, we must be the change

CALL - Use our anger and our knowledge, all to good effect

RESPONSE - So turn up, turn out and be the change.

**Chorus...**

CALL - We must speak out for the people, give everyone a voice

RESPONSE - Turn up, turn out, we must be the change

CALL - Hold the space for others, who might not have a choice

RESPONSE - So turn up, turn out and be the change.

**Chorus...**

CALL - Well we can't all lead the march no we can't all instigate

RESPONSE - Turn up, turn out, we must be the change

CALL - We can bring our voice to action, we can collaborate

RESPONSE - So turn up, turn out and be the change...**chorus x 2**
